Ritz Carlton Hotel & Residences – 181 Wellington St. W. Toronto ON

New Hotel & Condo Residences in the heart of Toronto's entertainment district. Project is comprised of 267 hotel suites and 159 luxury condominium units, rising a total of 52 stories. GAM was contracted to provide the exterior facade for the lower level Podium structure. The photo below showcases almost entirely GAM's scope of work. Including the custom designed high span glazing and bump-outs, aluminum soffit panels, column cladding, entrances including revolving door & roof level skylight over the spa level pool

Project is comprised of 83,000 sqft in total with 46,000 sqft curtainwall + 37,000 sqft of aluminum panel work. GAM was also contracted for the interior glazing for the hotel & residences.

Contract Manager: Ellis Don Corp.

Developer: Greywood Developments Ltd.

Architects : Kohn Pedersen Fox Arch N.Y. + Page & Steele Architects Toronto.
